PROJECTS

Y-Consultancy

- Developed a consultancy website specializing in website development, logo design, and poster creation.
- Designed and integrated various features to showcase consultancy services and portfolio effectively.
- Employed modern web development practices to optimize performance and scalability.

Personal Portfolio [(Click it here)](#)

- This Personal Portfolio project is a showcase of my skills experiences and achievements.
- Implemented a responsive design approach to ensure optimal viewing experience across various devices and screen sizes.
- Actively maintained and updated the portfolio to reflect latest achievements, projects, and skills.

Student Dashboard

- A dynamic platform that offers a 360-degree view of a student's academic profile, progress, and educational history.
- This intuitive dashboard serves as a one-stop destination for both students and educators to track and understand the educational journey.

ACHIEVEMENTS

- Won Silver in Carrom Doubles and Bronze in Carrom Singles at Intra-IIIT competition.
- Achieved a certificate of completion in 5km running.

LANGUAGES

- Telugu, Hindi, English.

DECLARATION

- I hereby declare that the above information is true to the best of my knowledge.
